

# The Daily Market Report

**PORTLAND, March 11.**—Wheat still climbs. Instead of losing as a consequence of the recent Government report on the crop reserves of the country and the fluctuations in the Chicago market, the Coast market shows a daily gain in strength. Today club was quoted at \$1.08, turkey red at \$1.10 and bluesteam at \$1.20, and so short is the supply generally in the Pacific Northwest that dealers say it is all but impossible to get hold of any wheat even at these unusual figures.

**20-Cent Egg Market in Sight.**  
Eggs were generally reported slow and weak at 22 to 24 cents today, with the bulk of business at the first-class figure, and the prediction was made on the street that a 20-cent market was not far away. Receipts continue in excess of the local demand and shipping orders are not such as to permit of anything like a clean-up.

**Pork and Veal in Portland.**  
A better demand for both pork and veal is reported in the Front street meat trade. Best quality country dressed pork held at 94 to 10 cents a pound today, with fancy veal fairly active at 10 to 10 1/2. Veal has been coming in rather freely for some time, but the demand continues good.

### HOUSE COMMITTEES

Intirely New Alignment is Forecasted At Washington.

WASHINGTON, March 11.—For the first time in a quarter of a century no Ohio Congressman will hold a House chairmanship unless there is a change in the method of selecting committees. There are sixty two committees in the House and Ohio has twenty one congressmen.

Iowa, which less than ten years ago had the speakership, the chairmanship of the big committees on rules, interstate and foreign commerce, public lands and military affairs, in addition to two seats at the cabinet table and the chairmanship of the Senate committee on appropriations, will be left with the chairmanship of the House committee on military affairs as the only important chairmanship to be given her.

Indiana will have but one chairmanship, that of the census, but she will have only two Republican members.

New Jersey with only seven republican members will probably have five chairmanships. In the New Hampshire delegation 100 percent of the delegation have been chairmen for several years and such will doubtless continue to be the case throughout the 61st Congress. Representative Sulloway is chairman of the committee on pensions and Representative Currier is the head of the committee on patents.

Illinois is considered sure of five chairmanships, mostly of minor importance, Pennsylvania of five, New York of three or four Kansas of three Massachusetts three.
